**Hi JJHP Jazz Fans!**

**Something Special for Sunday!!! TRIPLE TREAT**

Nothing like a fast paced reed feature to get blood flowing and the feet tapping. Lucky for us, we have the incomparable Noel Kaletsky joining the Anderson brothers in a Triple Reed presentation on Sunday afternoon at Jeff and Joel's House Party. This should be great!!!

**Pete and Will Anderson**

The brothers from Washington, DC and presently living in New York City are considered virtuosos on both clarinet and saxophone. You will love their improvisations. They can play anything from classical, bebop, pops and traditional jazz. They are the choice saxophonists for some well-known personalities like Wynton Marsalis and his band as well as the New York City

Ballet. Their CDs reflect their virtuosity playing their arrangements from Cole Porter, Richard Rogers and Duke Ellington to classical themes from Chopin, Debussy and Gershwin in jazz.

**Noel Kaletsky**

Jeff and Joel's House Party wouldn't be the same without Noel!!! The unbelievable Noel Kaletsky and his wailing clarinet will join Pete and Will Anderson for an additional surprise session on Sunday afternoon, October 12. You never know what to expect with the combinations of musicians directed by Jeff Barnhart, but this trio should be especially creative and fun.

Noel is a "reedman extraordinaire" and has played with the Bearcats, Galvanized Jazz Band, Heartbeat Jazz Band, and Titan Hot Seven to name a few and is well known at traditional jazz festivals from coast to coast. He plays saxophone and clarinet with a passionate intensity right "from the heart" — a true traditional jazz musician.

Here are a couple of tunes you can't help but smile as you listen to. First, from the House party in October of 2012, the bionic Noel Kaletsky on the Soprano Sax and Dr. John Clark on the clarinet burn through this Spencer Williams tune, Shim-me She Wabble (<https://www.youtube.com/watch?v=8oiST9lqLc0>).

From October 2013, Noel is on the soprano sax and is joined by Alain Marquet on the clarinet as they play this 1922 tune composed by Phil Boutelje and Dick Winfree - Chinaboy (<https://www.youtube.com/watch?v=Qrx7G7VfGHA>).

Joined by the Anderson twins, we believe this reed trio will bring unstoppable fun.
